STAGECOACH PUTS SAFETY FIRST:

- Rigorous hiring standards ensure we only hire the best personnel
- Satellite tracking on all trucks and trailers, plus web access for customers
- Dual drug testing; consistently exceeding DOT requirements
- Collision Avoidance Radar (Wingman) on all Class 8 highway units
- Stability control (Bendix ESP) on all new trucks
- Lane departure warning on all highway units
- Disc brakes on all new Class 8 highway units for enhanced stopping distances
- Tire pressure monitoring and/or inflation systems on all trucks and trailers to ensure maximum uptime
- Our courteous and professional drivers make safety a priority every day

We Make it Work!
